

PCB Supplier, Bare Board Group, Ranks on Tampa Bay Business Top 100.

Largo, FL November 30, 2011 – *The Tampa Bay Business Journal* has announced that Bare Board Group, a supplier of printed circuit boards manufactured overseas, has ranked #96 on their annual Tampa Bay Business 100 List.

The Tampa Bay Business 100 is a collection of the top 100 businesses in the Tampa Bay area ranked by revenue for the previous year. Companies included in the list are headquartered in the newspaper's seven-county coverage area or are independent subsidiaries with parent companies located elsewhere. This includes Hernando, Hillsborough, Manatee, Pasco, Pinellas, Polk and Sarasota County.

According to staff writer, Jane Meinhardt, this years' list, "is the poster child for diversity of business in the region." BBG finds themselves ranked among banks, manufacturers, automotive dealers, retailers, and contractors, as well as revenue powerhouse, Publix Super Markets.

The Business Journal reported that revenue growth is alive and well even in a difficult economy with an additional report on "Moving the Sales Needle Quickly." In addition to achieving rank on the 100 list, Bare Board Group was also recognized in this report as one of the top 10 fastest growing companies in the area with a 42.2% year-over-year revenue increase.

"The economy over the last few years has presented a struggle for everyone," said Bare Board Group Marketing Manager, Tobey Marsicovetere, "But with hard work, persistence, and a dedicated team like the one we've assembled at BBG, it is possible to emerge on the other side with a story of success. Having our efforts pay off and achieving one of our best years ever is both exciting and rewarding. Being awarded a spot on the Tampa Bay 100 List is the icing on the cake of that fantastic year."

About the Bare Board Group: Bare Board Group (BBG) is an award-winning, nationally recognized supplier of quality high-mix, low-to-high volume production printed circuit boards from overseas. With offices in the U.S. & Taiwan, BBG's ISO-9001 approved infrastructure allows for easy offshore purchasing, on-site expediting, source inspection and around-the-clock communication. Due to a dedication to customer service and support, BBG was recently named "2009 Supplier of the Year" by National Instruments.
