

Bare Board Group Receives 4th Consecutive Placement on the Inc 5000 List.

Global circuit board supplier is recognized as a top growing privately operated business.

New York, NY - August 24, 2010 – *Inc.* magazine today ranked The Bare Board Group, Inc. (BBG) No. 4329 on its annual list of the 5000 fastest-growing private companies in the U.S. This is the 4th year in a row that BBG has been honored with a spot on the exclusive business list.

“The leaders of the companies on this year’s Inc. 5000 have figured out how to grow their businesses during the longest recession since the Great Depression,” said Inc. president Bob LaPointe. “The 2010 Inc. 5000 showcases a particularly hardy group of entrepreneurs.”

Founded in 2002, the Bare Board Group provides printed circuit boards manufactured in the Far East to diverse customers based within the consumer, medical, automotive, and industrial test product industries. With offices in Largo, FL and Taoyuan, Taiwan BBG is able to provide its customers the benefit of overseas pricing with the ease of domestic purchasing.

“We are thrilled and honored to be recognized for the fourth year in a row as one of America’s fastest-growing companies,” said BBG President Greg Papandrew. “Earned despite operating in a tough economy, this award highlights the dedication and hard work of our entire staff, as well as the tremendous partnership that we have with our many customers.”

The 2010 Inc. 500|5000 is ranked according to percentage revenue growth when comparing 2006 to 2009. To qualify, companies must have been founded and generating revenue by June 30, 2006. Additionally, they had to be based in the United States, privately held, for profit, and independent—not subsidiaries or divisions of other companies—as of December 31, 2009. The top 10 percent of companies on the list constitute the Inc. 500, now in its 29th year.

About the Bare Board Group:

Bare Board Group (BBG) is an award-winning, nationally recognized supplier of quality high-mix, low-to-medium volume production printed circuit boards from overseas. With offices in the U.S. & Taiwan, BBG’s ISO-9001 approved infrastructure allows for on-site expediting, source inspection and around-the-clock communication. Due to a dedication to customer service and support, BBG was recently named “2009 Supplier of the Year” by National Instruments.
